What you need to know about Match Day 2026:

This is the BIGGEST Match Day Leap of FaithE has ever participated in! We have the opportunity to participate in \$150,000 matching funds. Matching funds are generously provided by Jim & Lida Sharp and the Patterson Family Foundation.

To donate in person: We will have a table at the Heaton Building in Downtown Norton, Kansas from 10 AM to 6 PM on Wednesday, June 24th. This is a great opportunity to learn more about us. Checks must be made out to the Norton County Community Foundation with Leap of FaithE in the memo line.

To donate online: On the 24th, go to www.nortonccf.org/matchday. The secure online donation platform is open anytime between 12:00 AM - 11:59 PM.

Donations up to \$5,000 per donor per fund are eligible for a match. However, donations of all amounts will still be accepted!

Donations are irrevocable.

Donations will be tax deductible and can be made to multiple organizations. Donors of gifts \$250 or more will receive a receipt letter after the event but you can always request a tax letter if needed and it will be supplied.

We want to keep you updated! Find us on social media throughout the day.

CONTINUING TO EXPAND OUR FOOTPRINT

We are hoping to raise enough funds to support at least 3 additional adoption triads in 2026. To date, Leap of FaithE has supported 15 adoption triads with the strongest emphasis placed on the mental health and healing of the brave birth mother involved. On average, each application that we support is approximately \$7,800. Leap of FaithE is no longer simply in Norton County or the Midwest, we are now a nationally known Foundation with a deep appreciation of where our roots are located: Norton County.

Our Goal for this year: \$22,000-\$24,000 with matching funds
(without matching funds \$11-12,000)

DID YOU KNOW?

You can donate old machinery, a sale of a crop, or land to LOF.

Contact Emily to clarify how you can use a deed of sale to ensure these items aren't taxed. Our partnership with NCCF and GNWKS positions us well to get everything structured correctly and fully in place.

If you have donated to Leap of FaithE, we hope you see your donation dollars WORKING, BLESSING, and FURTHERING the work you entrusted Leap of FaithE to do! We are thankful for our supporters, our donors, and to God who has made all of this possible by placing the mission of Leap of FaithE on our hearts in 2020 when our family was completed by adoption.
