## THIS IS BABY M!

Baby M was born in the beginning of this year.

## *Our newest application was approved.*

Our newest applicant is based on the east coast.

As we start to add more states to our client list, we are very grateful for the chance to grow.

## *Updates on LOF Babies!*

### **ONE YEAR FOR GWENDOLYNN AND GARRISON**

It has been a little over one year since Gwendolynn and Garrison were born. We love being able to see LOF clients as they continue in their adoption journey.

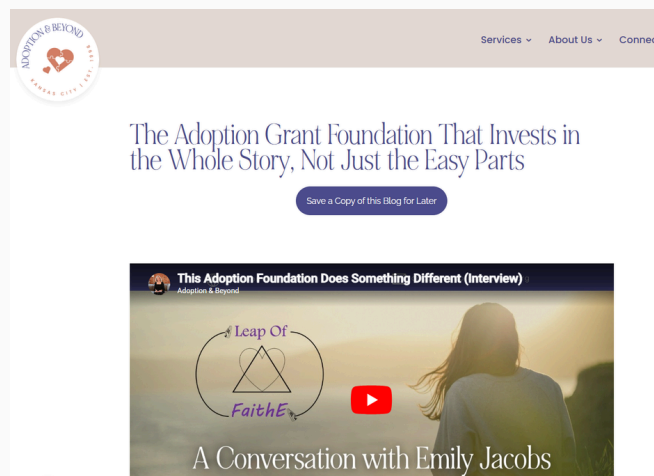

Because of the support from Leap of FaithE, Garrison and Gwendolynn's birth mothers (2 different women) can receive mental health counsel and financial support for living expenses as they navigate their journey.

## Recent interview...

### ***“The Adoption Grant Foundation That Invests in the Whole Story, Not Just the Easy Parts”***

## DID YOU KNOW?

You can donate old machinery, a sale of a crop, or land to LOF.

*Contact Emily to clarify how you can use a deed of sale to ensure these items aren't taxed. Our partnership with NCCF and GNWKS positions us well to get everything structured correctly and fully in place.*

Maddy and her family were our first client, back in 2023. We have grown a lot in the past three years, but we are grateful to look back and cheer on Maddy and her family. None of what we do would be possible without the support from our donors.

## MOTHER'S DAY GIFT BOXES

We are sending boxes of encouragement to brave birth moms on Mother's Day

Gifts provided by Abiding Love Charities

Gifts will be sent soon!

## LOOKING AHEAD:

Norton County Community Foundation, where our original FUND is held, has announced that **MATCH DAY will be back for the summer of 2026! Stay tuned for more details**

If you have donated to Leap of FaithE, we hope you see your donation dollars WORKING, BLESSING, and FURTHERING the work you entrusted Leap of FaithE to do! If you haven't donated before, perhaps you'll keep Leap of FaithE in mind for the future as it is growing and blessing more than we could've ever imagined in the 3 short years of existence!

We are thankful for our supporters, our donors, and to God who has made all of this possible by placing the mission of Leap of FaithE on our hearts in 2020 when our family was completed by adoption.
