THIS IS JERSEY!

Keep reading to hear more about how special her story is.

Match Day 2025 was a huge success.

Our goal was to raise enough funds to cover two applicants. You surpassed and even doubled our goal. **We raised enough funds to cover at least four applicants!**

To show our appreciation to our donors, we held drawings for Leap of FaithE shirts throughout the day. **If you received a shirt, we'd love to see you wearing it!** Send us a photo if you're comfortable with us sharing it on our social media.

Jersey's Story

WE RECEIVED AND PROCESSED OUR 12TH APPLICATION

This was our first application where the adoptive family is from Idaho! Right from the start, this story is special. Jersey has Down's Syndrome but that did not stop the birth mom from carrying her to term. The adoptive agency helped her create a birth plan, and the adoptive family loves her unconditionally. This is a beautiful story of a strong birth mother who reached out for help and found the right resources to protect the baby. It shows how the birth parents and adoptive parents should come together for the health and wellbeing of the adoptee.

Looking ahead...

November is National Adoption Month

Watch our social media pages to stay up to date on facts and giveaways to highlight the blessings, grief, and healing that is offered through adoption!

End of Year Match

We will have our 3rd annual end of year matching opportunity starting on November 1st and running until December 21st. We have cut the date shorter so that we can prioritize family and friends and the holidays. This is out of respect for you, our supporters, and for us. Postcards with more information will be mailed out soon!

10/12 BIRTH MOTHERS HAVE SOUGHT OUT THEIR MENTAL HEALTH HEALING

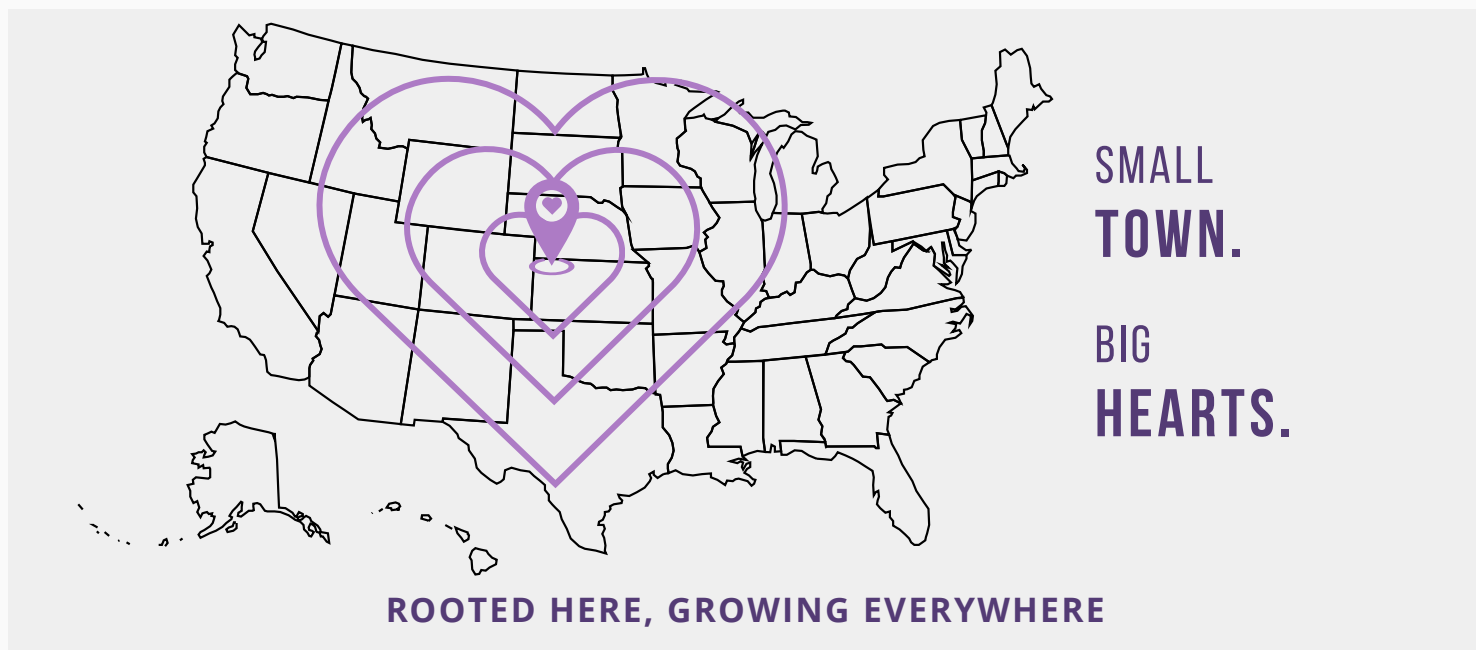

Healing is not a linear process so three birth mothers have had their one year pass without using funds. Their funds are now reinstated because they are starting therapy!

"Thank you for the additional thoughtful gifts you sent our way - after already blessing us with an adoption grant! We love the personalized ornament with (adoptee's) name and details. What a meaningful keepsake! We can't wait to add it to our Christmas tree this year. Thank you also for the books for us AND (adoptee). We're looking forward to reading both. Thank you for your generous support of our new little family."

-Thank You Note from Adoptive Parent

ANNOUNCEMENT: We can come speak publicly near and far! Reach out if you'd like us to speak at a meeting, gathering, or any event. We'd love the opportunity to tell our story and spread our passion!

If you have donated to Leap of FaithE, we hope you see your donation dollars WORKING, BLESSING, and FURTHERING the work you entrusted Leap of FaithE to do! We are thankful for our supporters, our donors, and to God who has made all of this possible by placing the mission of Leap of FaithE on our hearts in 2020 when our family was completed by adoption.
